Scholarship Committee: Laquinta, Amy, & Ellen

Jeff Dougherty from Children’s Hospital in Cincinnati was the special guest. He was here to raise awareness of the hospital. Bennie and Daniel took a tour of children’s on 2/27/08.

From Jeff’s follow up email to the visit:

“I have included the following web site as way for you both to learn more about the Credit Unions For Kids program that was created by the CMN, and its' local member hospitals, as a way for credit unions and their chapter affiliates can become involved in helping to support our mission at Cincinnati Children's of improving child health through care, research, and education.
